An electric, definite anthology of writings set at the seashore, this book brings together, for the first time, the very best in beach-set literary tradition, including stories, novel excerpts, and

[The Beach \(Setting\) | Short Stories](#)

It was an afternoon in the middle of July, when I went to the beach all by myself. I liked being with my friends, but sometimes you've got to have some personal time to think. I got out of my car, and walked straight to the lumpy sand. The beach was always so admirable, and it brought peace to my heart. The sounds of the water splashing on
