### [Best Day Hikes in California: From Easiest to Hardest](#)

This hike is not even remotely easy though at about 15 miles and 5,000 feet, especially to do it in only a day. The craziest part of the hike is after 7 miles you get to the base of the dome, and then you have to pull yourself up the cables to reach the summit. It is nuts but a fantastic feeling of accomplishment when you complete it.
