### [The Sisters Brothers \(2018\) - IMDb](#)

The Sisters Brothers was shot in Spain and France, with  
sets in Romania, but there was no way I could tell if  
Audiard did not say so. Something I do not often realize,  
but the editing is crisp and remarkable. The scenes seem so  
natural in their order. The film is based on Canadian  
author Patrick deWitt's award winning novel.
