[China to Me by Emily Hahn - Goodreads](#)

China To Me had neither. The title is apt because this was China as seen by Hahn's very narrow eyes. Despite being a feminist and opposed to colonisation and racism, despite having an On first glance, you would think that the memoir of a working American woman living without family or chaperones in China in the mid 1900s, who then went on to become a single mother would be highly interesting.
