This A-to-Z encyclopedia explores the cultural meanings, interpretations, and activities associated with the penis over the centuries and across cultures.

[Cultural Encyclopedia of the Penis \(2014, Hardcover\) | eBay](#)

The Cultural Encyclopedia of the Penis packs trivia and pop culture with social science and history in one provocative and educational volume. I must say that this is an utterly engrossing and fascinating read. . . .

[Culture | Britannica.com](#)

In social science: Cultural anthropology. Above all other concepts, culture was the central element of this great area of anthropology, or ethnology, as it was often called to distinguish it from physical anthropology.

[Army Culture | Encyclopedia.com](#)

ARMY CULTURE. The United States operated with two versions of the same military organization during the early period of the Republic. One version consisted of a small peacetime military force that was used to enforce order on the growing western frontier.
