### [Examples of Cultural Controls in Organizational Structure ...](#)

Organizational culture is a term that defines specific patterns of behavior, including rituals, rules and identity within a professional environment. Culture specifically is a means of controlling

#### [Control culture - lynda.com](#)

In a control culture, there's a lot of emphasis on compliance. The role of the individual is to comply with the requirements from their supervisor. The head of these organizations communicates a vision and then everyone who works for them in the organization is responsible for carrying out this vision. There are also people in the organization to make sure everyone follows

#### [Effect of Management Control in Organizational Culture ...](#)

Effect of Management Control to Organizational Culture, Compensation, Work Behavior and [www.iostjournals.org](http://www.iostjournals.org) 41 | Page is based on the elements of the efficiency and effectiveness of the business is through the implementation of good management control. Culture is able to help a person or group of people to interact and communicate with others in the community (Gibson, 1996). The same is [Cultural methods of pest, primarily insect, control](#) This method of cultural control requires cooperation of from neighboring producers. - planting density and spacing; the primary objective of this cultural method is to maximize yield per unit area without reducing crop quality, so that yield advantages override pest incidence reduction.

#### [Culture of Control: Crime and Social Order in Contemporary ...](#)

*The Culture of Control: Crime and Social Order in Contemporary Society* David Garland Abstract. This book charts the changes in crime control and criminal justice that have occurred in Britain and America. It then explains these transformations by showing how the social organization of late modern society has prompted a series of political and cultural adaptations that alter how governments and
