[Differential Diagnosis for Physical Therapists, 5th ...](#)

Following the standards for competency established by the American Physical Therapy Association (APTA) related to conducting a screening examination, *Differential Diagnosis for Physical Therapists, 5th Edition* gives you a consistent way to screen for systemic diseases and medical conditions that can mimic neuromuscular and musculoskeletal problems.

[Differential Diagnosis for Physical Therapists Screening ...](#)

The fourth edition of *Differential Diagnosis for Physical Therapists* is a must-have addition for physical therapists, physical therapist assistants, and students. Because physical therapists are autonomous practitioners, the need for appropriate differential diagnosis and screening for referral is an essential part of clinical decision making.
