### [The Easiest Way to Have the Dreams You Want - wikiHow](#)

To have the dreams you want, try to control small things in your dream when you realize you're dreaming. For example, you could pick up a small object or walk through a room. Once you've mastered this technique, aim to make bigger changes by flying, or summoning other people or objects. Do this by imagining something associated with the object, like thinking about being in a restaurant if you
