Dulcan's Textbook of Child and Adolescent
Psychiatry supplants the previous textbook edited by Jerry
Wiener and Mina Dulcan not with a new edition, but rather
a new book that offers a fresh look at the field of child
mental health. It preserves Wiener's vision of a clinically
focused textbook useful to trainees and practitioners in a
variety of specialties, providing the most up-to-date and
comprehensive text in child and adolescent psychiatry as
presented by more than 110 contributors who

The textbook is useful as both a core textbook for child
and adolescent psychiatry fellowship training and a
reference for a wide variety of health care professionals,
including pediatricians, family physicians, general
psychiatrists, child neurologists, psychologists, advanced
practice nurses, and psychiatric social workers.
