The 1935 Government of India Act was arguably the most significant turning point in the history of the British administration in India. The intent of the Act, a proposal for an Indian federation, was the continuation of British control of India, and the deflection of the challenge to the Raj posed by Gandhi, Nehru and the nationalist movement.

The 1935 Government of India Act was arguably the most significant turning point in the history of the British administration in India. The intent of the Act, a proposal for an Indian federation, was the continuation of British control of India, and the deflection of the challenge to the Raj posed by Gandhi, Nehru and the nationalist movement.

This book seeks to understand why British administrators and politicians believed that such a strategy would work and what exactly underpinned their
