### [Engaging with Contemporary Culture | Christianity ...](#)

Drawing on a range of perspectives in the religion-culture debate, and from case studies in the USA and Europe, the handbook explores the myriad of ways in which culture is now shaping contemporary Christianity, and how vital an appreciation of this dynamic is for the self-understanding of churches and theology. This book explores the crucial and continuing contribution that theology can make to

ANYONE who has kept up with recent theological writing may be forgiven for wondering whether we really need yet another book on Christianity and culture. Fifty years ago, Richard Niebuhr produced what became the standard work on the subject, but the past decade or so has seen a flood of new contrib

### [Engaging with Contemporary Culture: Christianity, Theology ...](#)

Theology and the churches are often considered to be at the margins of contemporary culture, frequently struggling for identity and attention. In this important new book, Martyn Percy argues that a rich form of practical theological engagement is needed.
