[Essentials of Health Behavior: Social and Behavioral ...](#)

Essentials Of Health Behavior Is An Introduction To The Relationship Between Behavior And A Selection Of Major Health Issues. In Clear And Accessible Language, It Provides The Student With A Background Of The Kinds Of Social And Behavioral Theories That Guide Our Understanding Of Health Related

[Essentials Of Health Behavior: Social And Behavioral ...](#)

Essentials of Health Behavior provides a broad introduction to the theoretical base used for most behavioral interventions in public health today. The text explores the general body of theory from the disciplines of psychology, sociology, and anthropology to understand and explain human behavior-as well as the contexts for behavior-and introduces the reader to the ways in which theory is applied to prevention and intervention efforts in the United States and around the world.
