"The deep reform of the Catholic Church has been under way for more than one and a quarter centuries. It began with Pope Leo XIII. It continued in one way through the revitalization of Catholic biblical, liturgical, philosophical and theological studies in the mid-twentieth century. It continued in another and at least as important way in the martyrdom of millions of Catholics at the hands of the mid-twentieth century totalitarian systems. It reached a high-water mark of ecclesiastical

George Weigel, who is best known as the premier biographer of Blessed John Paul II, turns his attention to the Catholic Church of the 21st Century in his new book *Evangelical Catholicism: Deep Reform in the 21st Century Church*. While the title of the book may be disconcerting to some, Weigel's primary premise is that the Catholic Church must live out the teaching mandates of the Second

The Catholic Church is on the threshold of a bold new era in its history. As the curtain comes down on the Church of the 16th-century Counter-Reformation, it rises on the Evangelical Catholicism of the third millennium: a way of being Catholic that will send the faithful into mission territory every day a territory increasingly defined by

In *Evangelical Catholicism*, Catholic theologian George Weigel proposes a program of faith-based reform that confronts these challenges head on. An urgent call to arms, *Evangelical Catholicism* reminds Catholics of the evangelical vocation into which they were baptized and of the joy and courage that comes from living on this side of the Resurrection.
