## [FISHING REPORT: EAGLE RIVER - Online Fly Fishing Store](#)

The Eagle River is our home river and flows right behind our shop in Edwards. It is an excellent freestone river with prolific hatches. It flows from high above Camp Hale south of Redcliff to its confluence with the Colorado River in Dotsero. It is most famous for the prolific Caddis hatches that come off in the spring and early summer. The Eagle is noted for its excellent dry fly fishing for

Fly Fishing the San Gabriel River, West Fork is an excerpt from the larger book Fly Fishing California by Ken Hanley, available in print and ebook, covering 64 waters including small streams, large rivers, lakes, reservoirs, and coastal areas.

### [Eagle River Fishing Report - Colorado Fly Fishing](#)

As the Eagle cuts, it s way west towards the Colorado River from Edwards, float and wade fishing for a mix of larger Browns and Rainbows is some of the best fishing in Colorado in early to late July. The lower Eagle is more heavily fished but offers good public access. Wild Rainbows and Browns up to 20 plus inches are not uncommon in the Eagle River.

### [DIY Guide to Fly Fishing Eagle River in Colorado](#)

The Upper Eagle nearest the headwaters is best known for its brown trout population and habitats, and anglers who favor fast water and pocket fishing will want to stick closer to the river s source for the best dry fly action in the summer and early autumn.
