### [Natural Genius of Children | Thomas Armstrong, Ph.D.](#)

The Natural Genius of Children Every child is a genius. That doesn't mean that every child can paint like Picasso, compose like Mozart, or score 150 on an I.Q. test.

### [The Genius in Every Child - National Professional ...](#)

Armstrong argues that there is genius in every child, which parents and teachers need to discover and awaken. He identifies negative environmental influences that often prevent the genius from revealing itself in children, and discusses factors that awaken and nurture genius, and enhance its growth and development.
