[Hotel - Wikipedia](#)

Facilities offering hospitality to travellers have been a feature of the earliest civilizations. In Greco-Roman culture and ancient Persia, hospitals for recuperation and

rest were built at thermal baths.

Home - The Fifteen Group

Yes, this is one of our specialties. Our team has combined opening experience of over 100 restaurants from the ground, up. There are so many different components to a restaurant opening POS, marketing, concept branding, menu engineering, licenses and permits, staff training, etc., etc. an opening is the one chance you have to do it

Politics is becoming a minefield for the travel and...

Between a rock and hard place Politics is becoming a minefield for the travel and hospitality business. It is getting harder to stay on the right side of customers and employees
