I Have No Mouth, and I Must Scream by Harlan Ellison
Limp, the body of Gorrister hung from the pink palette; unsupportedhanging high above us in the computer chamber; and it did not shiver in the chill, oily breeze that blew eternally through the main cavern. The body hung head down, attached to the underside of the palette by the sole of its right foot. It had been drained of blood through a

[I Have No Mouth and I Must Scream by Harlan Ellison](#)

I Have No Mouth and I Must Scream: The title story of the collection is the tale of a mad AI computer that has been torturing the last five humans alive for untold centuries for its own amusement. This was a pretty chilling tale of a hellish future. I loved the surprising ending.

[Nimdok | Villains Wiki | FANDOM powered by Wikia](#)

Nimdok is one of the five protagonists in I Have No Mouth And I Must Scream. He is one of the last five humans on Earth and has been tortured by AM for 109 years along with the other four. In the original story, his dark past is only alluded to, as he is known to periodically wander away from the group, returning visibly shaken.
