When I'm Gone is a book about a family. The book starts pretty much in the middle of the life of the family, but bits of their past keep coming into focus. Little by little their family story becomes more complete and clear, until at the end, (totally unexpected, by me at least!) the last pieces of their story fall into place. This is one of those books that I hope will go on and on, and I'm

When I'm Gone was not a predicable read and there were a few serious twists in the story that kept it interesting. Even the dating part that threw me for a bit in the middle of the book resolved in a way that I was happy with in the end. For any reader who loves women's fiction, you will enjoy When I'm Gone.
