What does 'the law' look like? While numerous attempts have been made to examine law and legal action in terms of its language, little has yet been written that

[Images in/of Law by Jessica M. Silbey :: SSRN](#)

The proliferation of images in and of law lends itself to surprisingly complex problems of epistemology and power. Understanding through images is innate; most of us easily understand images without thinking. But arriving at mutually agreeable understandings of images is also difficult. Translating
