Just How To Wake The Solar Plexus - Elizabeth Towne :
Book Contents, Text size: A; A; A; A; In every human
being there is a great potential which is seldom awakened.
This book shows you the secret in a nutshell. The nerves
are tubes for the conveyance of life to all parts of the body.
Contract the Solar Plexus and you withdraw life from the
body. You diminish the outflow which often results in

We must learn to control the action of the Solar Plexus just
as we learn to control the action of the fingers in learning
to play the piano, by thought and careful exercise.

Anybody can play the piano who will , and anybody can
learn self-control who really wants to.

First published in 1966, just six years before the master's
death, Resurrection contains five powerful, practical works
that describe how to use the imaging powers of your mind
to remake reality. But Resurrection offers much more - the
closing essay, for which the anthology is named, is one of
