[Keeping Their Place: Domestic Service in the Country House ...](#)

Quite an interesting book about life in domestic service in the great country houses, in the servants' own words. I was slightly disappointed that more than half of the quoted passages were taken from previously published books, some of which I had read before. I had hoped for more original material.

In 1851 there were over a million domestic servants in Britain, many employed in country houses. Today, this is a vanished world. In 'Keeping their Place' Pamela Sambrook presents extracts from the letters, diaries and autobiographies of both servants and their employers to give us a lively and colourful insight into one of the greatest institutions of the past.
