[Latin America In International Politics: Challenging US...](#)

A new book by former Latin American Program Director Joseph S. Tulchin, *Latin America in International Politics: Challenging US Hegemony*, explores the evolving role of Latin American states in world affairs from the early days of independence to the present.

[Latin America in International Politics: Challenging US Hegemony \(pt.3\)](#)

In recent years, the countries of Latin America have moved out from under the shadow of the United States to exercise their agency as active players in the international system.

[Latin America in International Politics: Challenging US...](#)

States exercised no hegemony over Latin America and it was as weak and as vulnerable as any country in the hemisphere in the early years of na- 2 Latin America in International Politics

[Latin America in International Politics: Challenging US...](#)

Tulchin's *Latin America in International Politics* is a must-read for those interested in Latin American history, international relations, and comparative politics. (Jos de Arimat ia de Cruz, *Latin American Politics and Society*)
