discourse, but to make sense of law as culture and culture as law, and to begin to think about how to talk about and interpret law in cultural terms. This Essay participates in an increasingly lively discussion within law and sociolegal studies about what we ought to mean by culture and what culture can mean for law. These questions have gained urgency of late thanks to recent efforts to

### ["Law As Culture" by Naomi Mezey - GEORGETOWN LAW](#)

Abstract. This Essay is an attempt to theorize the relationship of law to culture and culture to law beyond the intuitive, commonplace sense that law partakes of culture - by reflecting it as well as by reacting against it - and that culture refracts law.

Cultural Analysis, Cultural Studies, and the Law is a field-defining collection of work at the intersection of law, cultural analysis and cultural studies. Over the past few decades the marked turn toward claims and policy arguments based on cultural identity such as ethnicity, race, or religion has pointed up the urgent need for legal studies to engage cultural critiques. Exploration of [Canadian law and justice - Canada.ca](#)

Law can be divided into public and private law. Public laws set the rules for the relationship between a person and society and for the roles of different levels of government. This includes: If you need help in a Canadian court, it's a good idea to hire a lawyer. There are services that can help [Law, Culture and the Humanities: SAGE Journals](#) Our mission is to publish high quality work at the intersection of scholarship on law, culture, and the humanities.
