Mnemonics for Radiologists and FRCR 2B Viva Preparation: A Systematic Approach - CRC Press Book. Revising for the final FRCR examination is a challenging task. The candidate has to balance their revision time between image interpretation practice, learning facts and refining presentation skills.

[Mnemonics for Radiologists and FRCR 2B Viva Preparation](#)

FRCR examination candidates will appreciate the unified structure throughout, with extensive use of sample images followed by sets of differential diagnoses and mnemonic listings. For each stem of the mnemonic, the main radiological findings and useful distinguishing features are listed and a model answer is given. A short discussion of the main diagnoses follows, increasing comprehension and
