[Modern Social Work Practice: Teaching And Learning In ...](#)

In conclusion In Modern Social Work Practice we aim to provide a comprehensive guide for all those engaged in teaching and learning social work practice, an aid to understanding and doing social work in the context both of the new curriculum and the new health and social care landscape. The methods we use are similar to those employed in Social Work Practice (Doel and Shardlow, 1993) and The

The authors are quick to identify this and highlight how social work practice has moved from practice to New Social Work Practice and, presently, Modern Social Work Practice. The book further highlights the skills and requirements of a good practice teacher, with references to the National Organisation for Practice Teaching (NOPT, www.nopt.org) Code of Practice for Practice Teachers .
