[**So you've been bitten by a tick. Now what? | CBC News**](#)

Now what? While the temptation may be to dispatch the tick with a quick stomp, preserving the tick and submitting it to public health officials can actually do more to combat the disease, said

[**Implementing a TCP server in C | OpsTips**](#)

Now our server can adequately receive connections and act upon them if we want. Closing thoughts I found that going through this rather simple example was great - I took the time to review some concepts and make the whole flow even more concrete in my mind.
