[Mistress \(lover\) - Wikipedia](#)

A mistress is a relatively long-term female lover and companion who is not married to her partner, especially when her partner is married to someone else.

[Black Domestic Workers During the Depression | National Archives](#)

The public story of housework also supported new scholarship on the creation and maintenance of whiteness.(3) Housewives had found government allies for a system that supported white women's entitlement as mistress of a comfortable, well-ordered home, while other women found their futures defined by low-wage, unregulated jobs that rarely paid enough to support their own homes and families.

[A History of Mistresses by Elizabeth Abbott - Goodreads](#)

The history of the other woman tells the stories of women that are rarely heard of or condemned. I love how she focused on all societal aspects and also focused on the present where the double standard still exists, and women are always the first ones condemned.

[9 Pioneering Women Who Shaped Photographic History](#)

The history of women photographers dates back to the beginnings of photography itself. Yet while names like Ansel Adams and Man Ray have floated to the top of the photographic vernacular, the contribution of women in photography has been diluted or erased from history altogether.
