[ELT-43 The Foreign Language Learning Process](#)

The Foreign Language Learning Process This 1978
publication is a report of a small-scale research project into
language learning by adult learners. This was a relatively
early attempt to ask learners about the strategies and
techniques that they use to learn a language, and the
author, GD Pickett, who was at the time Deputy Director
of the British Council's English Teaching Information

perspectives on current and future developments in foreign
language teaching and learning. CLaSIC2004, which was
held in early December 2004, was a resounding success,
attracting some 250 participants from all over the world.
