[Psychology of the Unconscious: C. G. Jung: 9780486424996 ...](#)

In Psychology of the Unconscious, Jung seeks a symbolic meaning and purpose behind a given set of symptoms, placing them within the larger context of the psyche. The 1912 text examines the fantasies of a patient whose poetic and vivid mental images helped Jung redefine libido as psychic energy, arising from the unconscious and manifesting itself consciously in symbolic form. Jung's commentary

[Unconscious | Psychology Today](#)

The unconscious is sometimes referred to as the shadows of the mind, but it is not some black hole of unacceptable impulses waiting to trip you up. It can, however, be a source of hidden and

[The Subconscious Brain - Who's Minding the Mind ...](#)

The give and take between these unconscious choices and our rational, conscious aims can help explain some of the more mystifying realities of behavior, like how we can be generous one moment and

[Psychology of the Unconacious by C.G. Jung - Goodreads](#)

In Psychology of the Unconscious, Jung seeks a sym Rather than focusing on psychopathology and its symptoms, the Swiss psychiatrist studied dreams, mythology, and literature to define the universal patterns of the psyche.
