[Amazon.com: Customer reviews: QuickBooks 2010 Solutions ...](#)

When I purchased this book (QuickBooks 2010 Solutions Guide for Business Owners and Accountants), I thought I was getting a book that related to the Enterprise version of

Quickbooks. Actually, I don't even find any reference to Enterprise. It is not even in the index. So, I am dissapointed that I bought the wrong book. It is all right for what it is, it just isn't for users of Quickbooks.
