Samuel Fuller: Samuel Fuller, American director known for his gritty action movies. Fuller left school at age 13 and became a copyboy for The New York Journal under editor Arthur Brisbane. While still in his teens, Fuller worked as a reporter, covering the crime beat for the San Diego Sun. It was while working

Grayson has done some punk things, but don't hate him for his lack of holiness and create a double standard for yourself. He's one of the best competitors in college basketball and has garnered the respect and leadership of teammates who are more talented than him.

[Samuel Fuller - IMDb](#)

At age 17, Samuel Fuller was the youngest reporter ever to be in charge of the events section of the New York Journal. After having participated in the European battle theater in World War II, he directed some minor action productions for which he mostly wrote the scripts himself and which he also produced (e.g.
