Signs of God : miracles and their interpretation. [Mark Corner] -- Annotation Miracles cannot be shunted to one side as an embarrassing hangover from a "pre-scientific age." Miracles have played an important role in the history of all the major world religions.

[Signs of God: Miracles & Their Interpretation. Mark Corner...](#)

Corner's work is inevitably wide-ranging; he concludes that miracles within Christianity alone involve central theological and philosophical issues concerning the relation of God to the world, the way in which God acts and the goodness of God (p. 197); Corner's conclusion reassesses what he has established throughout his work by drawing on wisdom from Rabbinic Judaism, which warns

[Signs of God: Miracles and Their Interpretation - Mark ...](#)

Signs of God reveals why discussion of the nature of miracles is of central rather than marginal importance where belief in God is concerned. Miracles cannot be shunted to one side as an embarrassing hangover from a 'pre-scientific age'. Miracles have played an important role in the history of all the major world religions, and many religious believers claim that they continue to do so. Yet

[Sign, Wonders, & Miracles - The Transformed Soul](#)

God provided manna every day for Israel, but she simply tired of His miracle of provision the children of Israel kept on exhibiting unbelief in spite of the persuasive signs and wonders God had done before their eyes. The question is this, Have we learned from their mistakes? The flesh is a stubborn protagonist of evil and unbelief.
