### [Strengthening and Rehabilitation of Civil Infrastructures ...](#)

This important book discusses the use of externally-bonded fibre-reinforced polymer (FRP) composites to strengthen, rehabilitate and retrofit civil engineering structures, covering such aspects as material behaviour, structural design and quality assurance.

### [Strengthening and rehabilitation of civil infrastructures ...](#)

Strengthening and rehabilitation of civil infrastructures using fibre-reinforced polymer (FRP) composites Book July 2008 with 193 Reads Authors and Editors

### [Strengthening and Rehabilitation of Civil Infrastructures ...](#)

Strengthening and rehabilitation of civil infrastructures using fibre-reinforced polymer (FRP) composites Related titles: Durability of composites for civil structural applications (ISBN 978-1-84569-035-9) This comprehensive book addresses the current lack, or inaccessibility, of data related to the durability of fibre-reinforced polymer

### [Strengthening and Rehabilitation of Civil Infrastructures ...](#)

With its distinguished editors and international team of contributors, Strengthening and rehabilitation of civil infrastructures using fibre-reinforced polymer (FRP) composites is a valuable reference guide for engineers, scientists and technical personnel in civil and structural engineering working on the rehabilitation and strengthening of the civil infrastructure.

### [Strengthening and Rehabilitation of Civil Infrastructures ...](#)

With its distinguished editors and international team of contributors, Strengthening and rehabilitation of civil infrastructures using fibre-reinforced polymer (FRP) composites will be a valuable reference guide for engineers, scientists and technical personnel in civil and structural engineering working on the rehabilitation and strengthening of the civil infrastructure.

### [Strengthening and Rehabilitation of Civil Infrastructures ...](#)

Strengthening and Rehabilitation of Civil Infrastructures Using Fibre-Reinforced Polymer (FRP) Composites by J. G. Teng, 9781420087741, available at Book Depository with free delivery worldwide.

### [Strengthening and Rehabilitation of Civil Infrastructures ...](#)

Strengthening and Rehabilitation of Civil Infrastructures Using Fibre-Reinforced Polymer (FRP) Composites (Woodhead Publishing Series in Civil and Structural Engineering) eBook: L. C. Hollaway, J. G. Teng: Amazon.ca: Kindle Store

### [Strengthening and rehabilitation of civil infrastructures ...](#)

The repair of deteriorated, damaged and substandard civil infrastructures has become one of the most important issues for the civil engineer worldwide. This important book discusses the use of externally-bonded fibre-reinforced polymer (FRP) composites to strengthen, rehabilitate and retrofit civil

### [Rehabilitation of Metallic Civil Infrastructure Using ...](#)

Rehabilitation of Metallic Civil Infrastructure Using Fiber-Reinforced Polymer (FRP) Composites represents a standard reference for engineers and designers in infrastructure and fiber-reinforced polymer areas and manufacturers in the infrastructure industry, as well as academics and researchers in the field.

### [Strengthening and Rehabilitation of Civil Infrastructures Using Fibre Reinforced Polymer FRP Composi](#)
