### [Alicorn - Spelljammer](#)

The Alicorn Star: The one and only Alicorn Star is a centaur-built and crewed ship, and is fashioned from living wood; the vast majority of the hull is a single, living piece, and to an extent is self-repairing. Metal fittings, bracings, and the piercing ram are bonded magically to the hull, and give a +2 enhancement bonus its armor class.

### [What am I Supposed to do Now - Fimfiction](#)

A human dies on Earth and is given the opportunity to continue living in a different universe with a different God. He materializes in Equestria as an already mature equine and begins his new live meeting his new God/Princess Celestia.

Ultimate MLP Theory: Rainbow Dash is a god-like entity (self we learn that R.D. is 41-years-old which is pretty old for someone who clearly isn't an alicorn! Why is that? Another aspect is the Sonic Rainboom! In "Cutie Mark Chronicles", a Sonic Rainboom has the power to split to split a rock in two and in "Lesson Zero" where R.D. made a Rainboom just when he hit the barn which created

sombra is a male alicorn! Yeah, this is just run on sentence  
gone mad, really and is just a collection of maddened  
theories with credibility so 'strong' it would likely fall  
under a light breeze. permalink
