## [The archaeology of art in the American Southwest \(eBook ...](#)

Archaeologists seldom study ancient art, even though art is fundamental to the human experience. The Archaeology of Art in the American Southwest argues that archaeologists should study ancient artifacts as artwork, as applying the term "art" to the past raises new questions about artists, audiences, and the works of art themselves.

## [The Archaeology of Art in the American Southwest \(Issues ...](#)

The Archaeology of Art in the American Southwest argues that archaeologists should study ancient artifacts as artwork, as applying the term "art" to the past raises new questions about artists, audiences, and the works of art themselves. Munson proposes that studies of ancient artwork be based on standard archaeological approaches to material culture, framed by theoretical insights of
