[The Auschwitz Kommandant: A Daughter's Search for the ...](#)

The author never saw her father after he left for Auschwitz when she was a very small child and has no real memories of him as do her older siblings. It was a search she needed to complete for herself and to find out who she is, to complete herself. Her research was thorough into her father's past but it still left some things hanging for her such as to whether he really was as good as he felt.
