[The Blood Bankers: Tales from the Global Underground ...](#)

The Blood Bankers: Tales from the Global Underground Economy is a non-fiction financial thriller/whodunit that illuminates the sordid, self-serving, elitist international money trail and the greedy creatures who travel shamelessly on it. Mr. Henry courageously lifts the veil of monetary indecency and carefully guarded fiscal secrecy as he takes the reader on an insider's guided tour of global corruption and greed. Truth is indeed, stranger than fiction and The Blood Bankers is a shocking
