### [The Easiest Way to Find the Best Foundation Color Shade ...](#)

To find the best foundation color shade for you, figure out the undertones of your skin. To do this, look at the veins on your wrist. If they look blue, your skin is cool toned, and if they look green, your skin is warm toned. If your skin is warm toned, look for a gold or yellow based foundation. If your skin is cool toned, find products with pink or blue bases. Regardless of your undertone, test out shades by holding the bottle up your skin and, if the store offers testers, swatch a little
