ways in which a variety of authors before the twentieth century among them Chaucer, Sidney, Steele, Richardson, Austen, Thackery, Dickens, and Trollope have understood and deployed the term. The preoccupation in English literature with the ideal of the gentleman, Berberich writes, is astounding. Even writers whose work is not necessarily associated with the image of

[The image of the English gentleman in twentieth-century ...](#)

Though 'Englishness' and by extension the English gentleman continue to be linked to depictions of England as the green and pleasant land of imagined bygone days, Berberich counterbalances this perception by showing that the figure of the English gentleman is the medium through which these authors and many of their contemporaries critique the shifting mores of contemporary society. Twentieth
