[The Rock Hole: A Red River Mystery by Reavis Z. Wortham](#)

The Rock Hole is a mystery set in north Texas in a community bordering the Red River. The time is 1964 and Top, a ten-year-old boy who has been sent to live with his grandparents, is the narrator of the story. Ned, Top's grandfather, is the constable of this small community and has been concerned about a series of animal mutilations which could only have been committed by a sadistic individual.

Dear Internet Archive supporter, I ask only once a year: please help the Internet Archive today. Most can't afford to give, but we hope you can. The average donation is \$45. If everyone chips in \$5, we can end this fundraiser today. Right now, a generous supporter will match your donation 2-to-1, so you can triple your impact.
