Four deal with general problems, namely ethical reasoning and moral principles, plausible interventionist strategies, legal implications of humanitarian intervention and the objections raised against the concept. The fifth chapter contains a case study on the ethnic conflict in the Balkans (1992-1999) that serves to illustrate, more or less convincingly, the arguments made previously.

Humanitarian Intervention and Moral Responsibility

Ronnie Hjorth This essay investigates the moral aspects of humanitarian intervention. Humanitarian intervention involves the balancing of at least three sometimes contradictory principles the autonomy of states, the prohibition of war and the reduction of harm and human suffering and hence requires not merely a legal and political
