True North: Peary, Cook, and the Race to the Pole by Bruce Henderson places itself within the longstanding debate of who reached the North Pole first: Dr. Frederick A. Cook or Navy Officer Robert E. Peary. Both claimed to have reached it within one year of each other, Cook in April of 1908 and Peary in April of 1909. Historically, credit for the North Pole discovery has gone to Peary, and much criticism has been aimed at Cook for fabricating his story. Henderson addresses the possibility that Co

True North tells the gripping story of a race to the (North) Pole that almost equals the amazing race for the South Pole of Scott and Amundsen a few years later, both in excitement and ensuing controversy. The combatants in this contest are Cook and Peary, both claiming to have reached the Pole and, perhaps, both lying. This book makes a good case for Cook having actually achieved the set
