a pretty good idea "I grinned. "0A"so,um,what do you say going to europe for one month? we will fulfill that honeymoon custom and bonus,we will get to know each other better too. whatdya say?" "0A"i am i dont know um,okay..so europe it is! but wont your business suffer?i mean one month is something too big"i looked concerned.

["What say you?" I Ask The Editor | Learner's Dictionary](#)

It is certainly not as common as "What do you say?" or "What do you think?" or "What is your opinion?" -- but it is idiomatic English. It is old-fashioned and appears mostly in spoken English these days.

I'd say 0A is a category because it requires a more responsive yo-yo setup than 1A. I'd agree that freethrowing is probably a trick type rather than a style, and loaf definitely isn't. -- I'd agree that freethrowing is probably a trick type rather than a style, and loaf definitely isn't.

### [Say What You Mean, Mean What You Say, and Do What You Say ...](#)

It is. Say what you mean, mean what you say, and do what you say you'll do . It is an expression that can guide everyone who adopts it well, at work and in life. I recommend it highly to everyone.
