Where liberty dwells, there is my country. Tweet. The title of this post is a quotation from Benjamin Franklin. What he is saying is that nations are NOT a geographical entity but places where we can be free. That is the key message of classical liberalism. Some people assume that the institutions of democratic governance in India were a natural by-product of the independence movement. Not so

### [The Meaning of Liberty - Breeds Hill](#)

Benjamin Franklin once said, Where Liberty dwells, there is my country. Powerful words and slightly unsettling ones. Would Franklin have us believe that he was not wholly devoted to the United States?
