[Project MUSE - Women in Europe between the Wars: Politics ...](#)

For many women, the experience of the inter-war period was one of disappointment, marginalization or exclusion. It is true that some European women achieved improved political rights and saw their professional, personal and cultural opportunities broaden.

[Women in Europe between the wars : politics, culture and ...](#)

This volume's central assertion is that the 'forgetting' of European women's contributions during the period between the two world wars was not accidental but was ideologically motivated.

[Women in Europe between the Wars: Politics, Culture and ...](#)

The central aim of this interdisciplinary book is to make visible the intentionality behind the 'forgetting' of European women's contributions during the period between the two world wars in the
