Short-shorts are a natural story form - parables, fables,  
religious teaching tales, jokes Stories in 55 words or less,  
however, are artificial - essentially placing restrictions on  
the story as a challenge or exercise.

More consistently well-written stories than the original,  
and a more focused topic, Love and Death, which are the  
two most interesting concepts to write about anyway. An  
inspiring read that had better get you to try to write one of  
your own, for heaven's sake.

What follows, set in a fairy den and an oncology ward, is  
one of the best (and, somehow, realest) short stories ever  
written, a haunting exploration of love and death that has  
followed this reader
