[How to Write a Report \(with Pictures\) - wikiHow](#)

If you are writing a report about a specific person, company, or place, try to find their own website. For instance, if you are writing a report on Jane Goodall, a great source would be using the Jane Goodall Institute website.

[How to Prepare a Professional Report: 10 Steps \(with Pictures\)](#)

Step 1. Be clear about your Topic or company on which you are going to write your report and then even before you start researching get these important topics in your mind which are to be included in your report so that you can prepare a solid professional report.Step 2. As you start researching, jolt down your findings at one place. Be sure that you have the technical information like power consumed, machine name, maintenance, capacity, etc. However don't forget about your main topic.Step 3
