An electronic publication of scholarly work is not merely a paper publication in disguise. Legitimizing electronic scholarly publications calls for a new understanding of institutional underpinnings of the scholar's world.

[Essay Structure - Harvard College Writing Center](#)

Essay Structure . Writing an academic essay means fashioning a coherent set of ideas into an argument.

Because essays are essentially linear they offer one idea at a time they must present their ideas in the order that makes most sense to a reader. Successfully structuring an essay means attending to a reader's logic. The focus of such an essay predicts its structure. It dictates the
